

**Safe Moves
For Seniors**

HELP US BRING SENIOR MOVING SERVICES TO YOUR COMMUNITY

Who We Are

Safe Moves for Seniors provides no-cost moving services to older adults in need. We currently serve Allegheny County.

Help Us Understand the Need

We are gathering information about unmet moving and relocation needs in communities throughout Southwestern PA.

If you work with, support, or advocate for older adults, please complete our brief needs assessment. Your input will help us:

- Identify gaps in moving and relocation services
- Better understand local needs
- Determine where future expansion could have the greatest impact
